Exercise III

- Create and sign into figshare.org
- Try to publish example.csv on figshare
- Document the item with metadata
- Check out the private link and reserve a DOI
- Why do you need to be careful with publishing?
- Sign into PANGAEA and check out the data submission form
- Why do you need to be careful with submitting?
- Link your PANGAEA account with ORCID
- Try a query with the PANGAEA data warehouse
